This submission is in response to the Commissions letter sent on February 21, 2012, regarding Obama for Americas Amended July Quarterly (04/01/2011-06/30/2011) and Amended October Quarterly (07/01/2011-09/30/2011):

Changes in revenue and disbursements were the result of bank adjustments and a database error that erroneously recorded a number of unitemized contributions which were not deposited. When Obama for America became aware of these adjustments, amended reports were filed to correctly disclose revenue and disbursements.
